ROBERTS RULES OF ORDER

Robert Rules of Order was written in 1876 and follows parliamentary procedures followed by Congress.

As the original Rules were written in old English. It can at times be hard to understand. Look for newer revised editions

Learn the basics of Motions and amendments. This can help assure a productive meeting.

OTHER DUTIES

Another important role the Judge Advocate assumes is that of Post Prosecutor.

Lets take a look at this important role, what it means to the post, its members and officers

DISCIPLINARY PROCESS

Appendix B:

Suspension or Expulsion of Members

UNIFORM CODE OF PROCEDURE FOR THE SUSPENSION OR EXPULSION OF A MEMBER

(Adopted Pursuant to Article V, Section 2, of AMVETS National Bylaws)

Section 5.

The post or state judge advocate, as the case may be, shall prosecute the charges and the attendance of a court reporter shall be permitted.

DISCIPLINARY PROCESS

The Judge Advocate should be the Post expert in the AMVET disciplinary process.

As it is very important to the MEMBER, the post and its Officers & Trustees that this process is followed correctly and by the book.

Doing so is a direct reflection on the officers and trustees as to their fairness, and their diligence to do their duties correctly.....As

Nothing Angers a member more than being mistreated or treated unfairly during a poorly run disciplinary hearing. Such a hearing can make a member feel as if they have been railroaded or persecuted. Almost ensuring the loss of a member.

And in this day of membership shortages can we really afford to treat our members this way?

NO !

***“That wasn’t Fair
I’m Outta Here”***

Many Good and productive post members have made mistakes and faced discipline by a board that did not know how to run a proper disciplinary hearing or did not run the hearing fairly.

Giving the member a kangaroo court experience.

This must not be allowed !!!!

It is the Post Judge Advocates job as a member of the Executive Board to make sure the officers & trustees of the post know how to conduct a proper hearing.

How do you do this?

- By knowing the proper procedures and the disciplinary process as defined in the CBL & UPCBL . Knowing these the J.A. can assist the rest of the board in the proper process, thus helping to ensure a fair hearing for the accused.
- Pull the training from the Department website (ohamvets.org) and review it with them during Eboard & BOT meetings.
- Train the membership during a (general meeting or special Training meeting) in proper disciplinary procedures so they know what to expect during a hearing.
- Having a “Frank” discussion with the Officers & Trustees. stressing the importance in conducting a proper hearing.
